Fall into the school year! September 2022

A message from *Mrs. Leal*

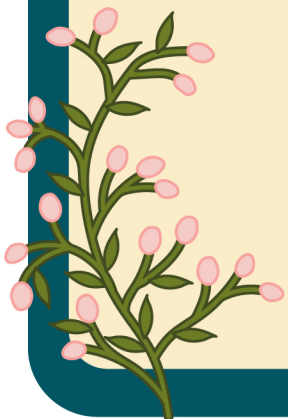

Fall is around the corner as are the beautiful seasonal changes. Students and most parents are eager about a new school year and the excitement is in the air.

Hello families! My name is Martha Leal. I am the school counselor here at Lost Pines Elementary. It has been such a joy to be the guidance counselor at LPE for the past five years.

I will use this platform monthly to provide social emotional tidbits, I will provide information about my program, community events, and so much more. Stay tuned.

*We are all just one
small adjustment away
from the life
that we want*

*Movie: How do you
know*

September Guidance Lesson

All grade levels will get to meet me and Mrs. Rey, our new Community in Schools Case Manager. During our session together they will learn the following:

- * Who is Mrs. Rey
- * How can CIS help me and my family
- * What is the job of a counselor
- * How to reach the counselor
- * Watch "Meet the counselor" video
- * Complete "All about me" pages so that I can learn more about each child.

Join us for coffee

This year I plan to join Mrs. Ringstaff our school principal at coffee with parents. My hope is to meet you during our monthly get togethers.

For the month of September I plan to teach you creative ways to engage your child while juggling your busy schedule.

😊 How to contact me!
