PROGRAMS

BISD PATHS Project is designed to meet the needs of Homeless, Foster care and/or Migrant students. Program provides extra college field trips and monthly activities on campus for middle and high schools students.

SUPPORT

Students receive academic, social and emotional support through district appointed liaisons who advocate and provide referrals within the school and community.

RESOURCES

District appointed liaisons work closely with community agencies to link students with needed services such as:

- Health Insurance
 - Medical, dental and vision
 - Mental health
 - TANF/Food Stamps
 - Housing
 - Emergency shelter
 - Food
 - School supplies
 - Clothing & shoes
 - Missing documents: Birth certificate, SSI card, ID
 - and more...
