

## Principles of Agriculture, Food, and Natural Resources

\*BHS Only  
\*\*CCHS Only

### Animal Science

---

- Small Animal Management / Equine Science\*\*
- Livestock Production
- Veterinary Medical Applications
- Advanced Animal Science
- Practicum: Veterinary Science

### Applied Agricultural Engineering\*

---

- Agricultural Mechanics and Metal Technologies\*
- Agricultural Equipment Design and Fabrication\*
- Practicum: Applied Agricultural Engineering\*

### Food Science and Technology\*

---

- Food Technology and Safety\*
- Food Processing\*
- Practicum: Food Processing\*

### Plant Science\*\*

---

- Greenhouse Operation and Production\*\*
- Floral Design
- Horticultural Science\*\*
- Practicum: Plant Science\*\*
- Advanced Floral Design\*\*
