

The Bastrop ISD Athletic Department uses an online system, RankOne, for all of the athletic competition forms. A parent or guardian must complete all signatures and paperwork online, with the exception of the medical history and physical examination forms. **The online forms and physical exam paperwork must be completed before your student can participate in any practice or competition, including athletic periods.** Online forms must be completed by the parent/guardian and student athlete simultaneously.

Instructions:

- Scan the QR code above or go to [bastropisd.rankonesport.com](http://bastropisd.rankonesport.com)
- Enter your student's information exactly as it appears in Skyward or on their report card.
- Read, complete, and electronically sign all forms.
- Print a copy of the forms for your records if you would like. Do not send hard copies of the online material.
- Ensure that your student has completed a physical exam with your physician. Return or upload both the medical history and physical examination form to the Athletic Training office at their school.
