Campus Issues

RLA MAP testing-Sharp, Laurent and Berry will be session administrators, but testing will take place in all 9th-11th grade classrooms during 2nd and 3rd periods. Test session administrators will start/open the RLA MAP test during PLC this morning so that the rest of us can get the PIN to write on board for students. Students should go to **3rd period class/teacher** for the test.

No recycling right now. Josh will call today.

All faculty and staff—please join the CRCA PTSA! The mission of the PTA is to “To make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.” Let’s do it! We are going for 100% faculty membership this year—and if we do so by 12/19 we’ll earn the Golden Apple award for CRCA! Membership dues are \$10.50/person. If you haven’t already, join online here [Join PTA](#)

Lunch issues

lock doors during lunch? no students in buildings, Alan will ask

What was the outcome of talking with admin?

Conrardy - We will continue to allow students to eat lunch in the halls and, if a teacher allows, in the classroom. If a teacher allows students in their classroom during lunch, the teacher must be in the room with the kids. If there are 2 or more students in the classroom during lunch, the door must be closed and locked.

Conrardy - When does the 9th grade team want to TSIA2 test? We will need two days of mild disruption of your classes.

9/12 and 9/17
