May 16

There is no sign-up process for TSIA2. After the initial tests in the fall, all TSIA2 testing is done on Fridays and the students who are not TSIA2 compliant are pulled from their Friday intervention classes to test in the library. All students are placed in an ELAR TSI prep class until they pass the ELAR TSIA2 test in reading and writing. All 9th grade students are also placed in a TSIA2 math class. 9th grade students are tested in mathematics during May testing dates.
