Good Things-

Student Issues

We need to do the big round of fall TSIA2 testing.

- will be announced next week at the freshmen parent meeting
- september 19-21 testing

9/13 Dr Manny Scott **juniors only and Genesis; possibly freshman** video will be shown on Friday, when all buses have arrived

location: PAC

Teacher Issues

Heads Up—it seems that 6-weeks grades are due at 11:25pm on the day that the grading window closes (not the following Monday like they typically were previously)

Grades due Friday 9/23 for the 1st grading cycle

- have grades ready by 4:30pm

CRCA PTSA is having a membership drive. Teachers will be given membership forms to distribute to students during their next SEL period. The grade-level with the most members by September 30 will get a pizza party during lunch.

Sutcliffe: would like to discuss an issue that has now come up twice concerning tardy students and this new grading window. I was not made aware of the process so I wanted to bring it up for others.

No warning bell before 9am bell. Need 8:55 bell.

Unmonitored library and hall are an issue when 10th graders return from ACC

What should we request with the \$200 gift from We Believe in BISD? When do we need this by? Sports equipment. Ackle is making a list.

Campus Issues

Ok for Drama Club to host Halloween Costume Dance Party during 7th and 8th periods on 10/28? Yes (Conrardy).

Not all students know that they are not supposed to open outside doors to let people in. Also some asked if this policy included the courtyard gate. (I said yes. Correct?Yes Conrardy). We need to have a coordinated information campaign so all are aware of protocol. Okay....put it on the announcements.
