

## CRCA Friday PLC Agenda

10/14/22 8:20-8:50

### Good Things-

Halfway through the semester.

Spirit Week is coming up.

### Student Issues

**From Conrardy and Adams - Teachers, do not let students go to the restroom immediately after lunch. It is the same 5-8 ninth graders that are doing this daily and there is simply no excuse. There is no line for food 10 minutes after lunch starts so the students have plenty of time to use the restroom during the lunch period. Next time a student comes into class after lunch and asks/or tells you they need to use the restroom, call Adams or Conrardy. We will address the issue.**

### Campus Issues

When to have pizza party for PTSA membership winners—9th grade? Not legal to do it during lunch. Maybe students get pizza as lunch ends and bring it into 4th period Friday, 10/21? From Conrardy - No. I do not want food in the classes. They can do it during lunch. They can be served the pizza out of a classroom or in the front foyer. Who says that it is not legal to do it during lunch?

Food in the teacher's lounge: don't leave food in the teacher's lounge unattended, roaches and rats are getting into the building and are trying to eat anything that is not sealed away.
