# Texas Racial Profiling Law

- Since January 1, 2021, the Bastrop ISD Police Department, in accordance with the Texas Racial Profiling Law (S.B. No. 1074), has collected police contact data for the purpose of identifying and responding (if necessary) to concerns regarding racial profiling practices. It is my desire that the findings provided in this report will serve as evidence that the Bastrop ISD Police Department continues to strive towards the goal of maintaining strong relations within the District and community. In this report, the reader will encounter several sections designed to provide background information on the rationale and objectives of the Texas Racial Profiling Law. Other sections contain information relevant to the institutional policies adopted by the Bastrop ISD Police Department, banishing the practice of racial profiling among its officers. Statistical data relevant to the public contacts made during the period of January 1, 2021 through December 31, 2021 are provided in this report. This information has been analyzed and compared to the demographics data of citizens residing in the Bastrop ISD area. Also included in this report is the process of filing a complaint with the Bastrop ISD Police Department, in the event that a citizen feels that he/she has been discriminated against during a traffic stop made by Bastrop ISD police officer. It is my desire that the positive relationships and effective communication between the community and the Bastrop ISD Police Department will continue to grow as we work together to meet the challenges of the future. Sincerely, Scot B. Bunch Chief of Police Bastrop ISD Police Department

# Statement of the Chief of Police

- In accordance with state law and the policy of the Bastrop ISD Police Department regarding racial profiling, I, Chief Scot B. Bunch did periodically conduct reviews of a random selected sampling of body camera video and audio recordings made by Bastrop ISD police officers employed by the Bastrop Independent School District to determine if there were any patterns of racial profiling. In reviewing the video and audio recording samples for calendar year 2021, I did not observe any peace officers employed by the Bastrop ISD Police Department engage in any patterns of racial profiling as defined by state and federal law.
