

WELCOME BACK TO CCHS!

A WELCOME MESSAGE FROM THE COLLEGE & CAREER CENTER

Welcome back to campus Class of 2023!

You did it! You've made it to your senior year. This year is going to fly by but we have A LOT of work to be done this year. As some of you may know, my job as the College and Career Specialist is to help each of you with your plans for life after high school. Whether you are pursuing a higher education at a 4 year college or a 2 year college, pursuing a trade or technical degree, going straight into the workforce or enlisting in the military; I am here to help.

You will see a lot me of this year; one on one senior interviews, application and financial aid workshops, TSI testing and other senior events.

I am so excited to be working with you all this year! Go Eagles!

-Ms. Crayton :)

Complete Senior Interview with the College & Career Center form [HERE](#).

Welcome to CCHS, Ms. Martinez!

Hello! My name is Beca Martinez and I am excited to work at CCHS! I grew up going to school in Bastrop and I am glad to be back.

I attended the University of Texas at Austin and graduated in 2020 with degrees in Social Work and Youth & Community Studies. Currently, I am a student at Sam Houston State University working towards my Master's Degree in Comparative and Global Education.

In my free time, I enjoy reading and working on different craft projects. I love to travel and want to see as much of the world as I can!

Graduating from high school and planning my next steps was exciting and confusing, and I look forward to working with students at such an important point in their life!
